## INSTRUCTIONAL SUPPORT DAY

These are designated exam days on the Ministry calendar so the majority of our students are not required to attend in person but will work from home to complete any outstanding assignments or evaluations.

The Mid Term Instructional Support days do however, provide opportunities for classroom teachers to work with select students at credit rescue, assignment completion, and/or offer additional opportunities for students to demonstrate specific or overall curriculum expectations. Specific students that may benefit from the targeted in-person support described above will be invited to attend by their teacher.

Please note that the timetable will mirror the regular school day schedule.
